

The MEDIA-TECH Welcomes Three New Member Companies

Hanau, Germany, The MEDIA-TECH Association is pleased to announce the addition of Rebeat Innovation (AT), GZ Media (CZ), and Golding Products (UK) as member companies.

We're thrilled to welcome Rebeat, GZ, and Golding as the latest members of the MEDIA-TECH Association," said Frank Hartwig, CEO of CDA GmbH and MEDIA-TECH Association chairman. "During a time of significant activity and change for the industry, these members will be important new voices to bring to the table."

New companies include:

Rebeat Innovation – Gold Member

Headquartered in Austria, REBEAT Digital Ltd. Rebeat, founded by Guenter Loibl back in 2001, started as a CD and DVD distributor. In 2006, Rebeat expanded into digital music distribution. By 2009, Rebeat Digital became the first digital distributor to integrate royalty accounting into their distribution application. In 2016, Mr. Loibl had an idea to make vinyl records with lasers which is now known by the industry as HD Vinyl that offers better sound quality, higher frequency response, 30% more playing time, and 30% more amplitude than current vinyl records.

GZ Media

GZ Media, named for the Czech, Gramofonové Závody which translates to Gramophone Record Factory, employees nearly 2,000 people, and runs its major operations in Lodenice in the Czech Republic. GZ Media is known as the world's largest vinyl manufacturer. Since its founding in 1951 has supplied records for approximately 60% of total vinyl records produced globally.
