

**The World of Physical Media Conference -
Cassettes, Vinyl, CD, DVD & Blu-ray
June 4 & 5, 2018, Eindhoven, Netherlands**

Organized by The MEDIA TECH Association –
With the Support of the MEDIA-TECH Working Group on Vinyl – the EU Green
Vinyl Records Project - Pure Audio & Colonial Purchasing Europe

OVERVIEW PROGRAM

Monday, June 4, 2018

2.00 pm MEDIA-TECH Member Meeting

(Members only)

3.00 pm “ European Vinyl Working Group Meeting”

(Open to all paid registrants of the World of Physical Media Conference)

The MEDIA -TECH Vinyl Workgroup will offer members of the vinyl industry and press a single point resource for glossary of vinyl terms, and more information and education in vinyl sourcing and manufacturing. You can meet Cargo Records, Colonial Purchasing Europe, Deeptrex Records, Green Vinyl Project, GZ, MPO, Optimal, Rand, Record Industry, Record Store Day Reps., Rebeat Innovation, Solvisible, Symcon, Unbreakmyheart and many more!

Discussion Points:

- Presenting & Supporting the Green Vinyl Project.
- Celebrating Vinyl as physical media's shining star in the digital age.
- Deliver need-to-know info about Vinyl manufacturing challenges, opportunities.
- Provide useful state-of-the-art info for mutual interests along the Vinyl supply chain, including retailers, labels, pressing plants, consumable suppliers, packagers, musicians and online merchants.
- Provide networking opportunities for these diverse groups to meet each other and forge new relationships.
- The MEDIA-TECH Vinyl Workgroup website will offer members of the vinyl industry and press a single point resource for glossary of vinyl terms, and more information and education in vinyl sourcing and manufacturing.

After the meeting all guests are invited to see a live demonstration of the “Green Vinyl Records Project” (transportation will be provided).

7.00 pm Networking Party Hosted by the MEDIA-TECH Association

(Open to all paid registrants of the World of Physical Media Conference)
