

**MAKING VINYL**  
**THE VINYL REBIRTH CONTINUES**  
October 1-2, 2018 in Detroit, USA

**Making Vinyl 2018** returns to the Westin Cadillac Detroit on October 1-2, 2018 as the global rebirth of the vinyl manufacturing industry continues to gain traction.

The first **Making Vinyl** conference last November attracted nearly 300 delegates from 16 countries, allowing for networking and deal-making opportunities on all aspects of the vinyl value chain.

## **MEDIA-TECH VINYL WORKGROUP EUROPE YEAR-END MEETING**

The **MEDIA-TECH Vinyl Workgroup Europe** plans to meet at the end of the year. The invitation for the event will follow after the summer break.

On the agenda is, among other things, the discussion on whether further working groups should be formed on the topics Market, Production and Mastering, etc.
